

LEOREX Ltd

Booster Plus

Booster Plus is a daytime preparation that improves the skin's appearance. The silica network slow releases nourishing and moisturizing materials nourish the skin for many hours. It provides an immediate effect of visible wrinkle reduction and when used regularly, has a visible long-term effect. Booster Plus has an improved texture and contains oils that removes dead skin cells and soothe the skin.

Leorex Booster Plus features:

- Physical reinforcement of the skin to prevent the appearance of new wrinkles.
- Nourishing the skin with rich and vital compounds and essential oils.
- Protects against skin disorders and enhances skin restorative potential.
- Reduce appearance of fine lines and pores.
- Soft-peeling - dislodges dead cells.
- Deep cleansing from impurities and free radicals (anti oxidation effect).
- Improves complexion and restores natural vitality.
- Restoring skin cell metabolism by opening nutrition supply channels.

This unique LEOREX features help keep your skin looking healthy, younger and radiant for a long term.
